

Your function is to administer the use of public communications.

Listen to the peoplethis is NOT the same as listening to the CBA.

The people of Indiana wanted the DO NOT CALL LIST law. We support the Attorney General and his efforts to leave the law intact.

We the people.... do NOT want to be bothered by telemarketers.

Just because we did business with a company does not mean they have any additional rights to solicit more business.

DO NOT WEAKEN or GET RID of the Indiana do not call list.

A word to the FCC Commissioners..... do your job or maybe we should get rid of you.
